SPRING IS HERE! # 335
Original "cracks" by FRED S. RADWAY:

APRIL 22, 1939.

CHAMBERLAIN has opened his umbrella- intends using it for a parachute, maybe to drop "grease" (not Greece) on the ROME- BERLIN axis - to save the world "from" Democracy---- one can never tell, the SOVIET retired to hibernate and trust no one.

"WHEN BETTER PARASOLS ARE MADE" Anthony Eden will "carry" them. BARNUM was right, some statesmen should be introduced to the "EGRESS" TRANSLATIONS: The League of Nations is a grab bag for the survivor of the "freshest".

Large politicians are playing checkers. Let us mind our own business---- there will be no war anyway, just a lot of jitterbugs. We ought to be callous by now and get to work. NO FOREIGN ENTANGLEMENTS. They are scrapping --- with their tongue until the cows come home. Nobody dares to fire the first shot. THEY ARE ALL BROKE.
